Amy,  
I Love you! I guess  
I just have to let you do  
what you want. I just  
hope I can talk to you every  
day and you still come to  
visit me until I come home.  
I pray there is still hope  
for our relationship when  
I return. This is really  
going to be ~~to~~ very, very  
hard for me to accept.  
Because I need your  
help to get me through  
this. I need you in my  
life and Always will.  
I will never forgive my-  
self for this I am such  
a Fool. I just pray to  
God there is still hope  
for us. I've been listening  
to the radio and so  
many songs make me  
think of you like I wish  
I had Jessies girl by Rick

Springfield and it just kills me that why I don't like to listen to the radio, you're always on my mind by Willie Nelson. Just keeps going through my mind every day. I just can't handle this. I just got off the phone with you. And you get so aggravated with me. I really think you want to end our relationship. I don't want to hurt you. Or the kids but I don't really think I'll make it through the night. I feel it's time so say goodbye. I hope <sup>you're</sup> happy to do what you want now that I'm out of your life. Because I know you really don't want me anymore. And I can't live with myself. I'm sorry I don't want

to hurt you or the Kids  
but I cant live without  
you. I am so sad, unhappy,  
and you are breaking  
my heart. I just cant  
do this anymore. I'm  
Sorry. I Love you! ♥

Love! ♥  
your  
Husband  
Joe

I Love you! ♥
